You're the only one thing that I believe
The only one thing that I can see
I'm not blind so tell me why
Why don't you come up and see me some time
It's the only thing that stays with me
The one thing that won't run away from me
The answer doesn't lie (do do do do do do)
At least not in the back of my mind (do do do do do do)
Can't find it in your eye (do do do do do do)
Can't find it in time
I'm sure of myself and I know the truth
Now all I have to do is show it to you
It looks so easy but it's hard to do
You
I jump in the car, turn the music on
I'm gonna be gone, but I don't know how long
I've got time, so tell me why
Will it take a whole [life?]
To prove what you know is right
Why, why, why
Why, why

The answer doesn't lie (do do do do do do)

At least not in the back of my mind (do do do do do do)

Can't find it in your eye (do do do do)

Can't find it in time

Do do do do do do do

Do do do do do do do

Do do do do do do do

Do do do do do do do

Do do do do do do doo

Do do do do do do doo

Do do do do do do doo

Do do do do do do doo

Do do do do do do dooooo

Do do do do do do dooooo

Do do do do do do dooooo

Do do do do do do dooooo

Oooh
