I'm sorry,can't help it,
Can't help the way I look,
I'm just that kind of person can't you see,
Don't worry be happy go lucky,
Couldn't really give a fuck,
I'm happy so long as you're happy,so long as you're
pleased,

Cos
I never knew just what it would do,
It's like a wonderlust,
I want to do what ever you tell me to,
It's a kind of superdrug,

When I see your Babyface,
I've seen the sweetest Babyface,
I want to be there with the whole world,you and your
thing,
Babyface.

I'm greedy,I know that,
I want to keep you to myself,
Obsessive to quite a high degree,
Can't work out why I'm like that,
It's really not like me,
It's something that's just happened recently,

Cos
I never knew just what it would do,
It's like a wonderlust,
I want to do what ever you tell me to,
It's a kind of superdrug,

When I see your Babyface,
I've seen the sweetest Babyface,
I want to be there with the whole world,you and your
thing,
Babyface.

[Refrain:]
My apology,how rude of me,
I didn't mean to stare,

It's just I'm sure I've seen you once before,
Can't place it, it deceives me,
Don't I know you from somewhere,
I'm looking for excuses, please stay and talk,

Babyface,
I've seen the sweetest Babyface,
I want to be there with the whole world, you and your
thing,
Babyface,

I never knew just what it would do,
It's like a wonderlust,
I want to do whatever you tell me to,
It's a kind of superdrug,
Yeah, yeah, yeah, yeah, yeah,
Whatever you tell me to I'll do,
Yeah, yeah, yeah, yeah, yeah,
Babyface,
