[Havoc] Yeah, uh-huh Got to feel it This what I'm talkin 'bout Yo You know my style homey.. ain't nuttin changed about me partner fuck wit me I got them flames that'll spark you nuttin fuckin wit the same I can charge it to the game without a dime to my name Slide dick to your dame; no wasted time pickin her brain She twistin the haze You niggaz housebreakin them broads, I set 'em free like slaves After finessin a hoe, like I bead I lay Believe you gonna hear that thang Keep the thing-thing on me don't be fuckin insane Hold the heat like a senior citizen with a cane It ain't nothin to me, to let it lean on your brain Keep playin, my crimeys deep in the game You know the homies'll body you 'fore you even get your feet in the game It's a shame how nobody would tell 'em You speed in and I leave it leakin out of your melon (Dead 'em) [Chorus: repeat 2X] Cause this is live nigga rap, you scared get a gat Cause right now this is where it's at We bring it to 'em live in the flesh, this as live as it get Infamous not a gang, it's a clique (Infamous) [Big Noyd] I went from sellin crack to the users, to sellin rap music I jumped in the Benz when I stepped out the Buick I kept on the tears, just threw on some diamonds My ear's to the street when my hand on the iron I kept all my whores, when I got my riches Until I went on tour, I deaded all them bitches Cause I'm destined to shine, and everybody know it They tell me all the time, cause everybody know it I'm gangster with mine, but I ain't gotta prove it Cause 99% of the time I'll shoot 'em And that goes for anyone thinkin it's just music This rap shit a hustle man, I'm the one to do it Cause Noyd in the house, I'm from Queensbridge Mention my name, chicks jump on the penis Check this; I be like "Yo ma you ready to go? Then c'mon - you smoke haze, oh you know how to roll? Then let's go" [Chorus]
