Don't come down things will always work out  
Don't come down things will always work out  
Don't come down things will always work out  
So when you find yourself in pieces

As a child i was fowl  
(uh) Ma, I couldn't understand them things that came  
out ya mouth  
You would cuss, fuss till your blood pressure went up,  
then give up and slouch on the couch and drink ya -----  
A hard headed ----- I was quick temper short attention  
span not attending class (no) what a dummy  
I would run over you honey  
You confront me and say Obie you no longer have a  
mommy  
Don't use my phone don't even eat my food  
Matter a fact, Don't speak and it was just me and you in  
that house with that mouse and them traps and they ---,  
waitin on the day when you gon pull the  
----- back  
[Chorus]

Don't come down things will always work out (I'm sorry)  
Don't come down things will always work out (I messed  
up)  
Don't come down things will always work out (Did  
wrong)  
So when you find yourself in peices

You tryin to kill me boy (no)  
Is that what you wanna do, kill me? You wanna kill me  
(kill me)  
Ma, You're not feelin me the beepers not that drastic  
Its the B blasted, bastard  
Your lyin (your lyin)  
You took plastic freezer bags with ---- inside of em  
She knew, damn but she hated that it was true  
I done raised two boys I can do away with you  
The locks changed and the nights got colder  
Im ----- lookin like the -----  
---- it im the osta

Im down for mounds ride by my corner  
Like Im not gone cry  
Not reek the pain of watchin my youngest man  
On the corners ----- ----  
I'm callin the cops

[chorus x2]

Ma even though I left the house alone  
I was seventeen years old on my own using these  
streets as my home  
Theres no reason to prolong this beef (yea i love you)  
Ms. Eleanor Trice I place no one above you  
You the reason when I hustled I knew the stack  
The reason when I opened up t mics i knew to rip  
The ethnics you instilled on this hectic young brother  
Rubbed off after all  
Now look at ya boy  
When they ask about me now you aint gon just put ya  
head down ma  
Straighten up ma you can smile now, proud  
Everythings kosher with the bosterous oysta  
Lets get closer  
So the regrets never opposed us

[chorus x2]
