[Havoc] Uhh Yeah Yeah she lookin right over there
Mmm My neck, my fingers and my wrist Don't make me
empty a clip Get a bottom upset, and that's it Make a
toast with my dough, take a sip Plenty cross on the
kush, get lit Talk phone me up do it up take flicks Look
at you so grown and sexy Pool three yeah you top
pedigree So pretty and full of energy Ass fat lookin like
need to be friend of B Relax ma I'm a QB rider Anything
pop off trust me it's minor Provider, hold you down real
well No stress, no chicks caught in a cell Keep you so
fresh that it'll never go stale You in-house inbox like e-
mail yeah [Chorus: Sonyae Elise] Oooh, I think I'm
gonna like this baby Come and tell me more, tell me
more And when you said do it, know you can live up to
it Now here's your chance to prove it, I'm listenin tell
me more [Havoc] Ice snub damn sihlouette Get it wet, I
ain't even kill it yet You about the gettin freaky with a
strange Jodeci and Sade in the change Little nasty
somethin tongue on my fingers Let me be your
personal trainer Hey ma, let's get it in, get your weight
up Wanna see how good you look without makeup Livin
real sick, big with a city view Mess around we can make
a home video Late night, uncut, ass clap Blow cloud,
take a pull, pass that Eyes low, break day Forgot about
tomorrow, where's V.A. I know, can't stay Ma make an
excuse, come back out to play hey [Chorus] [Havoc]
Tastes just like cotton candy My hands get sticky when
we Sucker ass, niggaz just fall off Fall in love then
wanna marry Not me though, let the games begin
Never ever save me in your cell phone At the end of the
day homegirl that's how we win [Sonyae] Your
description's got my attention I think I'm with it, just for
tonight No commitment, we just takin it Boy you got this
just for tonight [Chorus] - repeat 2X
