Yeah  
 She tried to live  
 On the inside  
 An get a house, a place to make a home  
 An  
 She tried to give  
 And be satisfied  
 Livin' close to the bone  
 But  
 As time  
 It passed by  
 It all closed in  
 And she craved  
 For the wild  
 On the outside, a gain  
 Yeah she tried to be  
 What he wanted her to be  
 And  
 She tried to do  
 What he wanted her to do  
 But  
 Her honky tonk mind  
 Just couldn't find a way through  
 To his plans  
 So  
 She broke  
 For the wild  
 On the outside, a gain  
 (An ten years later  
 in Southern California)  
 Well he met her at a party  
 For a painter  
 She was naked and sittin in this chair  
 That come from France  
 So  
 He asked her if she'd mind  
 Talkin to a stranger  
 But  
 She just rolled her crazy eyes  
 And started to dance  
 Outside Oklahoma

Okay... 'A.A.
