When Jesus saves the world
Where will you be?
Out on the lonesome plains of Texas
Or the shores of the Galilee

When Jesus saves the world
Which He will surely do
It don't matter where you are
He's gonna bring His wrath on you

Ah um, Mississippi
Ah um, Alabama
Ah um, Louisiana
Ah um, Nashville, Tennessee

When Jesus saves the world
And tallies up the toll
Forever one He sends to Glory
Be a billion burn below

When Jesus saves the world
He'll be looking right straight at you
An' ever sin you ever did
Gonna stick out clear and true

Ah um, Carolinas
Ah um, Atlanta Georgia
Ah um, Miami Florida
Ah um, New Orleans

When Jesus saves the world
You're either on or off the track
There ain't no reincarnation
You won't be comin' back

When Jesus saves the world
Your loved ones will be gone
You'll have to face his awful judgment
Stark naked all alone

Ah um, oh Virginia
Ah um, Oklahoma

Ah um, Arkansas
Ah um, Abilene

When Jesus saves the world
All time will stop with sin
And nothin' will be mysterious
It'll all just be the end

When Jesus saves the world
He will kill it too
And the righteous will rise to Glory
What a comfort to me and you

Ah um
