Yeah  
She tried to live  
On the inside  
An get a house an make a home  
An  
She tried to give  
And be satisfied  
Livin close to the bone  
But  
As time  
It passed by  
It all closed in  
And she craved  
For the wild  
On the outside again  
Yeah she tried to be  
What he wanted her to be  
And  
She tried to do  
What he wanted her to do  
But  
Her honky tonk mind  
Just couldn't find a way through  
To his plans  
So  
She broke  
For the wild  
On the outside again  
(An ten years later  
In Southern California)  
Well he met her at a party  
For a painter  
She was naked and sittin in this chair  
That come from France  
So  
He asked her if she'd mind  
Talkin to a stranger  
But  
She just rolled her crazy eyes  
And started to dance  
O'Lord's Hand  
Outside Oklahoma
