Well he just turned 17  
 When he left old Abilene  
 With his bags and permission  
 From the kin  
 Yeah but things just weren't the same  
 After his Momma signed her name  
 And let the navy take him inahhh but  
 What of Alicia  
 Espanola  
 13 years old  
 Child of Mexico  
 An he just turned 19 years  
 When he learned to face his fears  
 Of growing up and acting  
 Like a man  
 He just cocked his sailor cap  
 Stuck his hands down in his lap  
 Leaned back and stroked them girls in  
 Japan

ahhh but  
 What of Alicia  
 Espanola  
 15 years old  
 Child of Mexico  
 An he just turned 23  
 When he finally took his final leave  
 Anchored in the port of  
 San Diego  
 Yeah he met this border girl  
 An he fancied her body curl  
 So he married her when carried her to  
 Colorado

ahhh but  
 What of Alicia  
 Espanola  
 19 years old  
 an old woman  
 But out of Mexico  
 yi yi yi yi yi yi yi yi yi yi yi yi yi yi yi yi
