Creepin' up on you is the wrong thing to do  
I found your address got your phone number too  
Visit all the stores where you buy all your clothes  
Been to secret places you think nobody knows

If I have to breathe without you  
Nobody should.....  
I need to be around you  
Watchin' you

No one else can love you like I do  
Feel it when I'm creepin' up on you  
I know that it wouldn't be right  
If I stayed all night  
Just to peek in on you  
Creepin' up on you..

I been hanging round all the places you haunt  
Spying on your friends to find out what you want  
Drinking from the glass that you left on the bar  
Follow you around driving home in your car...

Do I have to breathe without you?  
Coz nobody could  
I need to be around you  
Watching you

No one else can love you like I do  
Feel it when I'm creepin' up on you  
I know that it wouldn't be right  
If I stayed all night  
Just to peek in on you  
Creepin' up on you..

This must be wrong  
It can't go on  
This kind of thing  
It's taking all my sanity and making a mockery  
This must be wrong  
It cant go on  
So Won't somebody free me from this misery

Bring my baby closer to me

No one else can love you like I do  
Feel it when I'm creepin' up on you  
I know that it wouldn't be right  
If I stayed all night  
Just to peek in on you  
Creepin'

No one else can love you like I do  
Feel it when I'm creepin' up on you  
I know that it wouldn't be right  
If I stayed all night Just to peek in on you Creepin' up on  
you...
