Come on  
Baby baby come on  
Baby baby come on

You only know one half of me  
Up until now it's all I let you see  
I used to reveal selectively  
But now I'm changing  
So baby come on inside  
Baby get on this ride  
Get closer to me  
Don't you know that  
It's time to take control  
To take what's mine  
Gonna take it home  
I think I'm about to fly, so here we go

Baby get on this ride with me  
Baby come on sit next to me  
Baby get on this ride hold on tight  
Cos we've got all night  
Baby get on this ride with me  
I wanna feel you next to me  
Baby get on this ride  
Hold on tight  
Buckle up right now  
Baby come on

Feels like I've been locked up all my life  
Held down denied the right to fight  
Nobody else could do this right  
I'm just arriving

Baby get on this side  
Baby get on this ride  
Get closer to me

Don't you know that  
It's time I let you know  
I got so much further that I could go  
It's time to start the show

So here we go

Baby get on this ride with me  
Baby come on sit next to me  
Baby get on this ride hold on tight cos we've got all  
night  
Baby get on this ride with me  
I wanna feel you next to me  
Baby get on this ride  
Hold on tight  
Buckle up right now  
Baby come on

If you want what I want we won't have a problem  
You see in the past I just compromised  
I've been taking a backseat but that's not me no longer  
I don't feel shy, don't want to hide, I'm ready to fly

Now baby come on

Come on  
All you my people, my people  
Tell me now  
Baby come on

Baby get on this ride with me  
Baby come on sit next to me  
Baby get on this ride hold on tight cos we've got all  
night  
Baby get on this ride with me  
I wanna feel you next to me  
Baby get on this ride  
Hold on tight  
Buckle up right now  
Baby

Get on this ride with me  
I wanna feel you next to me  
Baby get on this ride hold on tight cos we've got all  
night  
Baby get on this ride with me  
I wanna feel you close to me  
Baby get on this ride  
Hold on tight  
Oh Yeah  
Come On

Baby get on this ride hold on tight

Tell me  
My people, my people

All you  
My people my people

[Repeat]

Tell me
