You could've had anyone you wanted
That just goes to show
How crazy love can be
Look at us now baby
Who would've thought it
I don't know why you chose me

CHORUS

It's over my head and I'm six feet tall
This beats anything I ever saw
Well I don't see what you see in me at all
It's over my head and I'm six feet tall

You could be riding in a big Mercedes
But here you are with me in a pickup truck
I never had a way with the ladies
So how'd I fool ol' ladyluck

REPEAT CHORUS

Lovin' you comes easy girl
My heart is in your hands
It's why you'd take a chance on me
That I can't understand

REPEAT CHORUS

It's over my head and I'm six feet tall
