Blown down the highway

By two different winds

Lord only knows

When I'll see you again

You're 'bout as close

As the moon up above

You're my long distance love

CHORUS

Kentucky Bluebird I heard your song today

But when I try to touch you

You fly away

Blue is a feeling I'm learning so well

Turn on the TV in another hotel

Turn down the volume

And stare at the wall

God I wish you would call

REPEAT CHORUS

How I hate the miles between us

They get longer each day

I had this dream

And you should have seen us

Holding each other

And drifting away

REPEAT CHORUS
