On a good night I could hop in my truck

Round up my friends

And with any kind of luck

We could end up howling

At a harvest moon

On a good night I could put on my hat

Head down to the honky tonk and dance

But on a real good night

I meet a woman like you

CHORUS

Brown hair, blue eyes, once in a lifetime

Countrified kind of girl

Heart-breaking chance-taking

Wild little love making

Shaking up my world

Hey on a good night I can picture the day

All of my dreams come true

But on a real good night

I meet a woman like you

On a good night I can drive to the lake

Turn on the radio and find George Strait

Then go play a little game of

Eight ball pool

On a good night I might be found

Draggin' with the boys cross town

But on a real good night

I meet a woman like you

REPEAT CHORUS TWICE

Yeah on a real good night

I meet a woman like you
