Times are hard and money's tight

Day to day we fight the fight

Nothing new, the same old grind

Uphill all the way

Boss man says forget the raise

Preacher says to keep the faith

Good things come to those who wait

Tomorrow's another day

CHORUS

Our time is coming

Where or when the good Lord only knows

Our time is coming

When this road we're on

Will turn to the street of gold

As long as we keep the love alive

Something tells me we'll survive

It's the little things that'll get us by

And hold us together

I feel it when you hold me close

Baby we got more than most

Steady through the highs and lows

We'll go on forever

REPEAT CHORUS TWICE

When this road we're on will

Turn to the street of gold
