Yes I'll take you back again you knew I would

For I go on living you that's understood

But it's the first time you've come back

With tears in your eyes

Lately someone's taught you how to cry

CHORUS

Someone had to teach you

I didn't have the heart

To hurt you just like you've been hurtin' me

Someone had to teach you

Things it's time that you knew

Now maybe you'll be satisfied with me

Someone took your heart and rubbed it in the dirt

And you look just like a puppy when it's hurt

But you've had this lesson coming for so very long

Our sins all have a way of coming home

REPEAT CHORUS
