by: Hank Cochran and Willie Nelson

If you can't say you love me

Say you hate me

And that you regret each time

You held me tight

If you can't be mine forever

Then forsake me

If you can't undo the wrong

Undo the right

It was right when you loved me only

But wrong when you held another tight

So before you go away

And leave me lonely

If you can't undo the wrong

Undo the right

CHORUS

It's too late to say your heart

Is filled with sorrow

You can't undo what's done

Why do you try

So please so I can face

The new tomorrow

If you can't undo the wrong

Undo the right

REPEAT CHORUS

If you can't undo the wrong

Undo the right
