3-Finally I figured out

But it took a long, long time

But now there's a turnabout

Maybe 'cause I'm trying

1-There's been times, I'm so confused

All my roads, they lead to you

I just can't turn and walk away

2-It's hard to say what it is I see in you

Wonder if I'll always be with you

But words can't say, and I can't do

Enough to prove, it's all for you

I thought I'd seen it all

'Cause it's been a long, long time

Oh but then we'll trip and fall

Wondering if I'm blind

(repeat 1, 2)

Rain comes pouring down, falling from blue skies

Words without a sound, coming from your eyes

(rpt 3, 1, 2, 2)

It's hard to say, it's hard to say

It's all for you
