Well I'll follow you wherever when u lead me by my  
nose

on another big adventure I suppose

Then you lay me down in clover with there petals on my  
back

I should make some time to do more things like that.

Chorus

Won't you sing me your poetry

Won't you take me to your home

Won't you be for me forever so I'll never be alone

Just one thing

If your my queen, then its a beautiful thing

Yeah, la la la la la la

Its a beautiful thing

Well I'm buried in my bedroom under 14 feet of clothes

I could drown in all this clutter I suppose

Then your standing in my doorway with a suitcase on  
your back

And it blows my mind when u do things like that

Chorus

Yeah, remind me, well I might be poor but the  
summer's free for me

I didn't know I was sleeping

## Chorus
