ooh ooh ooh yeah, ooh ooh ooh yeah

hey hey, did you ever think that there might be another way

to just feel beter, just feel better about today

oh no, if you never wanna have to turn and go away

you might feel better, might feel better if you stay

yeah yeah, I bet you haven't heard a word I've said

Yeah yeah, youv'e had enough of all your tryin'

just give up the state of mind your'e in

If you wanna be somebody else

if you're tired of fighting battles with yourself

if you wanna be somebody else then change your mind, change your mind

hey hey, have you ever danced in the rain or felt the sun

just for shinin', just for shinin' for the sea

oh no, you take it all in the world to show you yeah

looks much better, looks much better when you glow

yeah yeah, I hope youv'e heard every word I've said

yeah yeah, youv'e had enough of all your tryin'

just give up the state of mind your'e in (to chorus)

Ooh ooh ooh yah, ooh ooh ooh yeah

hey hey, what you say, we both go and seize the day

cause what's your hurry what's your hurry anyway
