Concede and believe me

I won't give up I won't give out on you

Concede and believe me

I won't give up I won't give out on you

Oh no no no la la la la la

You....Oh no

Now hear I promise to listen

Why won't you go for that

Now hear I promise to hold you

Why won't you go for that

If I had wings and I could fly

Well I'd still walk with you

If I had a safe place to lie

I'd want to lay with you

(Chorus)

So now you shut off and you shut down

Won't let nobody in

And when you shut off and you shut down

Won't play that fool again

I've seen your inside--you stay inside

And I won't go for that

I've seen your quarters....

Seen your crooked sacred pictures on the wall

(Chorus)

I'll be your jester--be your fool

Compromising fool

I'll be your jester--be your fool...

(Chorus
