There's been days I've fallen

And walked away the times I should have stayed.

I looked away, yeah looked away ... so far away -

and when you asked I said I'm not afraid.

BRIDGE

But now I can't hold it - hold it

Flash a frozen smile when it boils down inside.

No now I can't hold it - hold it

Just a little crack ...

And then the walls come tumblin' down

CHORUS

And I Feel It. It's my time don't try to steal it.

Feel it. Reach inside

Feel it. If you ask well I won't conceal it.

Feel it. I used to wonder but now I finally know ...

Papa said the sun it also rises.

But when I turn it's falling from the sky.

It slips away - yeah slips away So far away.

And leaves me staring only at the night.

BRIDGE

CHORUS

Watch the walls come tumblin' down ...

CHORUS
