It's bitter

Tastes a lot like winter

And will it- release me

So heavy

How much more to bring down the levy

And kill me - don't kill me

Chorus

I've been stayin' high...

And I've been feelin' sorry

For myself

And I've been resurrecting my

Fortress to protect myself

Shattered

Tired, beaten, worn down and tattered

Can you-even hear hear me?

What do you expect out of me

I'm being buried alive and screaming

Can't you see - Can't you see me ?

Chorus

Weary

My hands slapped I'm cautious and leary

Of tryin' - oh but I'm tryin'

How am I to figure it out

All alone I've been kickin' around

Without my home - I'm so lost...

Chorus
