It's wrong-not right so bad you know it.

I've been wrung in and out.

You say-you want-you need-it your way.

You kick and scream and shout.

Pre Chorus

You twist my words

To ease your mind

Don't stand there smiling, at me

Don't think it's me

When it's always you, it's always you

Chorus

Give in-give out-give up-it's over.

Why even bother if I'm always wrong.

Give in-give out-give up-it's over.

So much for trying it's time to move on.

You try-to back-me in-a corner.

So sick of playin' your game.

Too much-too hard-to take-You're giving.

So much that I don't need.

Pre Chorus

You twist my words

To ease your mind

Don't stand there smiling, at me

Don't think it's me

When it's always you, it's always you

Chorus

Bridge

Your mind-my heart-our words-they drain me.

I've heard the same old lines

I'm tired-worn out-so weak-don't push me.

Don't try it one more time.

Chorus
