I remember watchin'

All the once upon a times

Remember thinkin'

Who's content and who's for rent

And you said don't you want to be like that man!?

Oh No No No!

But then he cracks that smile

And that don't look so bad to me.....

Happy I'm Happy

But that ain't good enough for you

Happy I'm Happy.....

I remember thinkin'

How they thought that we should be

Remember feelin'

That might be you but that ain't me

And you said don't you want to be like that man!?

Oh No--No--No!

But then he cracks a smile

And that don't look so bad to me.....

(Chorus-Chorus)

The suns that rise

A young girls sighs

A baby cries

An old mans eyes

(Repeat)

I remember watchin'

All the once upon a times

Remember thinkin'

Who's content and who's for rent

And you said don't you want to be like that man!?

Oh No--No--No!

Then he cracks that smile

And that don't look so bad to me.....

(Chorus-Chorus
