there's too much
that i keep to myself
and i turn my back on my faith
it's like glass
when we break
i wish no one in my place
and i've seen
you don't need their seeds
when their dirt goes in deep
and i'm lost in sleep
i can't stay
in this place
i can't stand
when the room turns round
on my fate
you give no guarantees
there's no promise
i can keep
i can't stand
i can't see my way
i feel blind

on my feet

i can't stay too long

am i wrong?

goodbye, lay the blame on luck

goodbye, lay the blame on luck

goodbye, lay the blame on luck

goodbye, lay the blame on luck

goodbye, lay the blame on luck

goodbye, lay the blame on luck

i'm so tired

of my mood

and sleep comes

with a knife, fork and a spoon

you're so pale

in your face

you let life

get in your way

and i've seen

you don't need their seeds

when their dirt goes in deep

and i'm lost in sleep

am i wrong?

goodbye, lay the blame on luck

goodbye, lay the blame on luck

goodbye, lay the blame on luck

goodbye, lay the blame on luck
