"One Nation"

When you were born you didn't know

You thought we were the same

You know we walked the same - we talked the same

Although you never knew my name

But you were told when we were young

That I was not the same

"You know he's not the same - he's not the same!"

And then you never asked my name...

BRIDGE

I say won't you have a lovely day

And then you come back telling me to go to hell

CHORUS

But it's One Nation Indivisible

One Nation Indivisible

One Nation Indivisible - oh my God it's irresistible

One Nation Indivisible

Well a baby is a baby A man he is a man

You know he tries the same - he cries the same

And then you know he dies the same

But when I ask in disbelief

And they say "just because!"

You know I have to state - we learn to hate

And man you know I can't relate...!

BRIDGE

CHORUS
