I know that it's been a long  
Time since I've been gone  
It's easy to forget help me remember  
Funny but I've never been  
Good at stayin' close  
But that don't mean that I never remember  
And it's been So long  
Been gone but feel like we're one again  
So long....  
And it's been so long  
I kept thinkin' maybe tomorrow  
And now I'm gonna leave again believe again  
Yeah yeah so long....  
I take a little time to think  
About what is right or wrong  
And that will lead me home if I remember  
And I do--me I know it's true  
Come find me and I'll be there to tender  
(Chorus)  
Take a little look around  
I listen while I learn

Why are you the one I take for granted

'Cause I do--me I know it's true

I know you would never just demand it

(Chorus--some stuff--out
