"Sometimes"

By simple definition I'd be scattered, Oh where do I
begin

Well I'm stuck within the mortal framework

Of having to use words

And I ... - I've never been one -

I've never been one for incompleteness

BRIDGE

My attempts to say - never find their way nah uh

(All these things they escape me)

inconsistency is inconsistency within this conversation -
yeah!

CHORUS

Sometimes: You know there's no limits and ...

Sometimes: I'm a mother, I'm a brother, I'm a lover and
another ...

Sometimes: I'm scared - but sometimes I'm a hero ...

Sometimes: But mostly I'm just me!

In some regards I'd use the term eclectic

The merging of experience

And different points of view - oh yeah

Well I think, I learn, I listen and

I sift my way right through

And I ... - I'm always the one

I'm always the one with fascination - yeah ...

BRIDGE -- CHORUS -- REPEAT -- CHORUS
