One night One town

Well there's just one man

And he throws his bag down

Then he runs away

Just as fast as he can

And then he falls to the ground

And he waits....

For Superman Here I am

Superman Here I am

Superman Here I am

Superman.

Another night Another town

Well there's just one girl

She's lookin' all around

And then she cries out loud

Just as loud as she can

Then she falls to the ground

And she waits.

(Chorus)

Another night--Another town

We'll there's just one train

She's full and loaded down

She sputters once.....!

And says I think I can

(I think I can--I think I can--I think I can--I think I can)

And as they slide down the hill

Well they wait

(Chorus-Chorus
