"Surreal"

With my head abouve the water,

I can breathe to stay alive.

But I'll try a littler harder,

If you want me to survive.

Pre-Chorus

Won't somebody tell me,

How I got to this stage-

When consequence is inconsequential,

And staring in the spotlight,

Is better than real life.

Chorus

It's been surreal, how do you feel,

When the seas part before your eyes?

It's just so real, how does it feel

When the starts that you follow die?

With my head above the water,

I could drivet along, beyond the tides.

But I can try a litle harder,

If you help me to reach the other side.

Pre-Chorus

Chorus

Pre-Chorus

Chorus

It's been surreal, how do you feel,

When the colors have left you behind?

It's just so real how does it feel,

To have left yourself behind
