"Wanted It To Be"

Visit "[Wanted It To Be](#)" on MotoLyrics.com

It's your world

And I was just someone in it

I never wanted to be your problem

And it's your life

And I just wanted to see you live it

Be the one to help you solve 'em

I wanted I wanted it to be

I wanted I wanted it to be yeah yeah

Never claimed to be no savior

I never claimed to be no saint

I'm just another tool who tried to love you

Saw the ones before me

Then I saw the one who took my place

Took a lot of time just to get on by you.

(Chorus)

(Lead)

(Chorus-Chorus)

It's your world

And I was just someone in it

I never wanted to be your problem
