I never knew such a day could come
And I never knew such a love could be inside of one
I never knew what my life was for
But now that you're here I know for sure

I never knew till I looked in your eyes
I was incomplete till the day you walked into my life
And I never knew that my heart could feel so precious
and pure
One love so real

Can I just see you every morning when I open my eyes?
Can I just feel your heart beating beside me every
night?
Can we just feel this way together till the end of all
time?
Can I just spend my life with you?

Now baby the days and the weeks and the years will
roll by
But nothing will change the love inside of you and I
And baby I'll never find any words that could explain
Just how much my heart, my life, my soul you've
changed

Can you run to these open arms when no one else
understands?
Can we tell God and the whole world, I'm your woman,
you're my man?
Can't you just feel how much I love you with one touch
of my hand?
Can I just spend my life with you?

No touch has ever felt so wonderful
(You are incredible)
And a deeper love I've never known
(I'll never let you go)

I swear this love is true
(Now and forever to you)
Only for you

(To you)

Can I just see you every morning when I open my eyes?
Can I just feel your heart beating beside me every
night?
Can we just feel this way together till the end of all
time?
Can I just spend my life with you?

Can you run to these open arms when no one else
understands?
Can we tell God and the whole world, you're my woman
And you're my man?
Can't you just feel how much I love you with one touch
of my hand?
Can I just spend my life with you, can I just spend my
life with you?

Can I just spend my life with you?
Can I just see you every morning when I open my eyes?
