"Burning Red"

I see the sun begin to rise
And I'm blinded, too
I've seen the world through painted eyes
That I'm crying through
I watch the darkness hit the tides
And confide in...
Hold on, I'm falling
Can't breathe anymore as an
Ocean has opened
These scars need to heal over
Caress the needle prick in my eye
The tears fell like rain
I've rode the phoenix as she glides
And I've gone insane
I've seen the light of suicide
And I'm dying
Hold on, I'm falling
Can't breathe anymore as an
Ocean has opened
These Scars need to heal over
Hold on I'm falling, can't breathe...breathe...

Colder and colder

Just hold onto me
