I am a nightmare walking - psychopath talking  
king of my jungle - just a gangster stalking  
Living life like a firecracker - quick is my fuse  
Then dead as a deathpack - the colors I choose  
red or blue cause a blood - it just don't matter  
Sucker die for your life with my shotgun scatters  
we gangs of C.A. will never die....just multiply  
Colors!  
you don't know me, fool - you disown me  
I don't need your assistance, social persistence  
any problem I got I just put my fist in  
My life is violent, but violent is life  
peace is a dream, reality is a knife  
my colors my honour my colors my all  
with my colors upon me one soldier stands tall  
tell me what have you left me, what have I got  
last night in cold blood my boy --- got shot  
my home got jacked, my mother's on crack  
my sister can't work cause her arms show trax  
Madness insanity - live in profanity  
then some punk claimin they understandin me

give me a break, what world do you live in

death is my sect, guess my religion

Colors!

My pants are saggin braided hair

suckers stare but I don't care

my game ain't knowledge - my game's fear

I've no remorse so squares beware

But my true mission is just revenge

you ain't in my sect, you ain't my friend

wear the wrong color - your life could end

homocides my favorite venge (beach?)

Colors!

I'll just walk like a giant - police defiant

you'll say to stop - but I'll say that I can't

my gangs my family - it's all that I have

I'm a star - on the walls is my autograph

You don't like it - so you know where you can go

cause the streets are my stage - and terror's my show

psyco-analyze - tried diagnising me wise

It wasn't your brother that brutally died

But it was mine - so let me define

my territory don't cross the line

Don't try to act crazy - cause the shit don't thank me

you can be read like a punk - it wouldn'ta made  
(amaze?) me

cause my colors death - thou we all want peace

but our war won't end - till all will cease
