Well I look at justice in a different light

I been to jail, it didn't make me right

Try and conform but won't be deaf blind dumb

Been beaten down, just harder I've become

Death church rising

Hate church rising

Lost church rising

Death church rising

Hey Jesus can you help me with my pain

Mainline me some religion, keep me sane

Christ suffering upon my TV screen

Send in your money to the faith obscene

Death church rising

Hate church rising

Lost church rising

Death church rising

Strength, truth and honor. words I strive to live

Your faith's profane, it takes never gives

'Cause I'm gonna die standing upon my feet

You're gonna die grovelling on your knees

Death church rising

Hate church rising

Lost church rising

Death church rising
