Hard times are comin your way
You're gonna have to rise above it some day
Organize your life and figure it out
Or you'll go under without a doubt
Hard times! Hard times!
Seems I'm bein forced into a mold
Hard times! Hard times!
Forcin me and I'm growin cold
Hard times are coming through
But if your hard they won't get to you
They're gonna try to drive you into the ground
But never surrender, never go down!
Cromag!
Skinhead!
Breakout!
