I am only nothing, I am only this

I am just a man with there two fists

You have asked forgiveness

You have asked respect

Only something that you did forget

All you gave you had planned to take

Beat upon me but I won't break

Stripping everything from me ? No !

Will to me your anger, will to me your rage

Will to me your lies, your sufferings

Not a man of virtue, not even a man

Will not take the hate dealt from your hands

Years of pain I will take and hone

Manifest with your broken bones

My heart bleeds for none but my own

My own

Burn

Burn

I am only nothing, I am only this

I am just a man with these two fists

You're not a man of virtue, not even a man

Will not take the hate dealt from your hands

Years of pain I will take and hone

Manifest with your broken bones

My heart bleeds for none but my own

My own

Burn

Burn

My heart bleeds for none but my own
