"TAKE MY SCARS"

Visit "[TAKE MY SCARS](#)" on MotoLyrics.com

It's been around for a thousand years

And it'll be here for plenty more

It is the face hidden in disgrace

That has become now an open sore

It is a false messiah

It is the face of pain

The bringer of the bittersweet

The heretic insane

Take my scars

Through hands of God

I found a better way

To break the walls

Fed all the lies and desensitized

Taught to believe that it is the way

Taught to divide and exactly why

You'll never understand my rage

You've never had to borrow

You've never had to steal

You eat it with your silver spoon

For me it's real

Take my scars

Through hands of God
I found a better way
To break the walls
Blood and concrete
Piss and wine
Whores that fuck
To feel divine
They'll clean their needles
In their shrine
In ignorance
It's bliss you find
Why can't you
fuckin' open
Open up your eyes
