I am the thing that makes you sick

I am the blame that gets placed quick

Detect the crack within your lie

I'll be the wrath of your disdain

I'll be the fear in you engrained

Become the facts that you deny

I can feel this pain is real

I hate deep down inside

And like broken glass you'll shatter

With bloody fists I'll batter

Like a ten ton hammer

I'll be the trembling in your breath

Trickle of blood upon your flesh

You'd love to watch me take the fall

I'll be the thing that you despise

'Cause I'm the path to your demise

And I'm a be there standing tall

I can feel this pain is real

I hate deep down inside

And like broken glass you'll shatter

With bloody fists I'll batter

Like a ten ton hammer

I can't stand or take another day my friend

You could learn a thing or two

I can feel this pain is real

I hate deep down inside

And like broken glass you'll shatter

With bloody fists I'll batter

Like a ten ton hammer
