Damn that television ... what a bad picture"!

"Don't get upset, It's not a major disaster".

"There's nothing on tonight", he said, "I don't know  
what's the matter"!

"Nothing's ever on", she said, "so ... I don't know  
why you bother."

We've heard this little scene, we've heard it many  
times.

People fighting over little things and wasting precious  
time.

They might be better off ... I thing ... the way it seems to  
me.

Making up their own shows, which might be better than  
T.V.

(CHORUS)

Judy's in the bedroom, inventing situations.

Bob is on the street today, scouting up locations.

They've enlisted all their family.

They've enlisted all their friends.

It helped saved their relationship,

And made it work again ...

Their show gets real high ratings, they think they have  
a hit.

There might even be a spinoff, but they're not sure  
'bout that.

If they ever watch T.V. again, it'd be too soon for them.

Bob never yells about the picture now, he's having  
too much fun.

(CHORUS)

Judy's in the bedroom, inventing situations,

Bob is on the street today, scouting up locations.

They've enlisted all their family.

They've enlisted all their friends.

It helped save their relationship,

And made it work again ...

So think about this little scene; apply it to you life.

If your work isn't what you love, then something isn't  
right.

Just look at Bob and Judy; they're happy as can be,

Inventing situations, putting them on T.V.

(CHORUS)

Judy's in the bedroom, inventing situations.

Dod is on the street today, scouting up locations.

They've enlisting all their family.

They've enlisted all their friends.

It helped save the relationship,

And made it work again
