"Happy Day"

In...my...sensations

I believe that I...was

born with the things that I know

I want...to talk...

Like ev'ry

Before I decide what to do

And I fell all over and I

couldn't stand up

I can't be critical

I can't won't stop

Such a happy day

for me

Bring a happy day

to me

Send a happy day

to me

And a happy day

came to me come to me here it come...

I'm...only...looking

Feel like my heart

has a will of it's own

I feel...feel nice inside

right here

And now it's...summer again

The story that I told

The story I made up

I was foolin' around but I

can't won't stop

Such a happy day

for me

Bring a happy day

to me

Send a happy day

to me

And a happy day

come to me, come to me, here it come...

This...boy...is in motion

Some density

moved right beside me

I want

My sentence

Right here

But now I'm far away

A sign was given but

many years have passed

Cost a little bit to love you but I

won't can't stop

Such a happy day

for me

Bring a happy day

to me

Send a happy day

to me

And a happy day

came to me come to me here it come...

It's alright
