"Mind"

Time won't change you
Money won't change you
I haven't got the faintest idea
Everything seems to be up in the air at this time
I need something you change your mind
Drugs won't change you
Religion won't change you
Science won't change you
Looks like I can't change you
I try to talk to you, to make things clear
but you're not even listening to me...
And it comes directly from my heart to you...
I need something to change your mind
