It's not...yesterday...anymore

I go visiting, I talk loud

I try to make myself clear

In front...of a face...that's nearer

Than it's ever been before

Not this close before

Nearer than before

Not this close before

It is...is a million...years ago

I hear music...and it sounds like bells

I feel like my head is high

I wish...I could meet...every one

Meet them all over again

Bring them up to my room

Meet them all over again

Everyone's up in my room

And now...Now I'm busy...Busy again

I feel like sitting down but

I'm still thinking...Thinking about my friends

In my garden...moments

But now I'm speaking out

Speaking about my friends

Now I'm speaking out

Thinking about my friends
