Here we stand

Like an Adam and an Eve

Waterfalls

The Garden of Eden

Two fools in love

So beautiful and strong

The birds in the trees

Are smiling upon them

From the age of the dinosaurs

Cars have run on gasoline

Where, where have they gone?

Now, it's nothing but flowers

There was a factory

Now there are mountains and rivers

you got it, you got it

We caught a rattlesnake

Now we got something for dinner

we got it, we got it

There was a shopping mall

Now it's all covered with flowers

you've got it, you've got it

If this is paradise

I wish I had a lawnmower

you've got it, you've got it

Years ago

I was an angry young man

I'd pretend

That I was a billboard

Standing tall

By the side of the road

I fell in love

With a beautiful highway

This used to be real estate

Now it's only fields and trees

Where, where is the town

Now, it's nothing but flowers

The highways and cars

Were sacrificed for agriculture

I thought that we'd start over

But I guess I was wrong

Once there were parking lots

Now it's a peaceful oasis

you got it, you got it

This was a Pizza Hut

Now it's all covered with daisies

you got it, you got it

I miss the honky tonks,
Dairy Queens, and 7-Elevens
you got it, you got it
And as things fell apart
Nobody paid much attention
you got it, you got it
I dream of cherry pies,
Candy bars, and chocolate chip cookies
you got it, you got it
We used to microwave
Now we just eat nuts and berries
you got it, you got it
This was a discount store,
Now it's turned into a cornfield
you got it, you got it
Don't leave me stranded here
I can't get used to this lifestyle
