And you may find yourself living in a shotgun shack

And you may find yourself in another part of the world

And you may find yourself behind the wheel of a large  
automobile

And you may find yourself in a beautiful house, with a  
beautiful

wife

And you may ask yourself-Well...How did I get here?

Letting the days go by/let the water hold me down

Letting the days go by/water flowing underground

Into the blue again/after the money's gone

Once in a lifetime/water flowing underground.

And you may ask yourself

How do I work this?

And you may ask yourself

Where is that large automobile?

And you may tell yourself

This is not my beautiful house!

And you may tell yourself

This is not my beautiful wife!

Letting the days go by/let the water hold me down

Letting the days go by/water flowing underground

Into the blue again/after the money's gone

Once in a lifetime/water flowing underground.

Same as it ever was...Same as it ever was...Same as it  
ever was...

Same as it ever was...Same as it ever was...Same as it  
ever was...

Same as it ever was...Same as it ever was...

Water dissolving...and water removing

There is water at the bottom of the ocean

Remove the water carry the water

Remove the water at the bottom of the ocean!

Letting the days go by/let the water hold me down

Letting the days go by/water flowing underground

Into the blue again/after the money's gone

Once in a life time water flowing underground.

Into the blue again/into the silent water.

under the rocks and stones/there is water underground

Letting the days go by/into the silent water

Once in a lifetime/water flowing underground

And you may ask yourself

What is that beautiful house?

And you may ask yourself

Where does that highway go?

And you may ask yourself

Am I right?...Am I wrong?

And you may say to yourself

MY GOD!...WHAT HAVE I DONE?

Letting the days go by/let the water hold me down

Letting the days go by/water flowing underground

Into the blue again/after the money's gone

once in a lifetime/water flowing underground

into the blue again/into the silent water

once in a lifetime/water flowing underground

Same as it ever was...Same as it ever was...Same as it  
ever was...

Same as it ever was...Same as it ever was...Same as it  
ever was...

Same as it ever was...Same as it ever was...

time isn't holding us, time isn't after us

time isn't holding us, time doesn't hold you back

time isn't holding us, time isn't after us

time isn't holding us,

letting the days go by(x3)

once in a lifetime

letting the days go by(x3)

once in a lifetime
