well we know where we're going, but we dont know
where we've been

and we know what we're knowing, but we can't say what
we've seen

and we're not little children, and we know what we want

and the future is certain, give us time to work it out

yeah

we're on a road to nowhere, come on inside

we'll take that ride to nowhere, we'll take that ride

feeling ok this morning, and you know

we're on a road to paradise, here we go, here we go

we're on a ride to nowhere, come on inside

taking that ride to nowhere, we'll take that ride

maybe you want me while i'm here, i dont care

even when time isnt on our side, i'll take you there, take
you there

we're on a road to nowhere

we're on a road to nowhere

we're on a road to nowhere

there's a city in my mind so come on and take the ride,
and its alright, baby its alright

and its very far away, but its going day by day and its
alright, baby its alright

would you like to come along? you can help me sing
this song and its alright, baby its alright

they can tell you what to do, oh god they'll make a fool
of you, and its alright, baby its alright

there's a city in my mind so come on and take the ride,
and its alright, baby its alright

and its very far away, but its going day by day and its
alright, baby its alright

would you like to come along? you can help me sing
this song and its alright, baby its alright

they can tell you what to do, oh god they'll make a fool
of you, and its alright, baby its alright

we're on a road to nowhere

we're on a road to nowhere

we're on a road to nowhere

we're on a road to nowhere
