Round and 'round

and we won't let go

And where we stop

no one knows

uh-huh uh-huh

Down and down

in a spin we turn

Looking like

we'll never learn

uh-huh uh-huh

Think about

what ev'ryone is saying

Ruby dear

Oh don't you hear

Late at night

when the radio is playing

Ruby dear

So looky here

Oh this record's broken

It slips a beat

And all those watermelons

Have gone to seed
Nothing lives
in this dirty little river
No one here
Will shed a tear
It dried up
but it couldn't run forever
Ruby dear
That's what we hear
I still like the ocean
Down by the sea
They left that door wide open
It tempted me
Hounding me
from the bedroom to the kitchen
Ruby dear
I'm still right here
Now they throwed
the fox amongst the chickens
It's too deep
I'll drown in my sleep!
Angels and prostitutes
They might look the same
And if to Hell we're going
I'll see you there

'Round and 'round
and we won't let go
And where we stop
no one knows
uh-huh uh-huh
Down the street
where the bonfires glow
Looking like
they lost control
uh-huh uh-huh
Settle down
in that rocking chair
Breathing in
that rotten air
uh-huh uh-huh
Johnny Jones
fell fast asleep
Down a hole
where the rocks are steep
uh-huh uh-huh
