Falling, falling

Gonna drop like a stone

I'm falling through the atmosphere

On a warm afternoon

If lovers discover

That ev'ryone dies

So don't tell me, please hold me

It's a dangerous life

Daddy dear

Let's get outta here

I'm scared

Ten o'clock

Nighttime in New York

It's weird

If you're looking for trouble

Well, that's what you will find

Mom & Pop

They will fuck you up

For sure

Love so deep

Kills you in your sleep

It's true

Love keeps us together

And love keeps us alive

And we - are criminals that never

broke no laws

And all - we needed was a net

to break our fall

They're searching for diamonds

They're grabbin' at straws

Sex 'n' sin

Sax 'n' violins

It's hell

Wooden heads

Furniture with legs

For sale

Love keeps us together

And love will drive us insane

And we - are criminals that never

broke no laws

And all - we needed was a net

to break our fall

Going home

Back where I belong

To stay

Rays of light

They will turn the light

To day

Birds travel together

Birds follow the sun

And I - am watching as the birds go flying home
