I don't know why I love her like I do

All the trouble you put me through

Take my money, my cigarettes

I haven't seen the worst of it yet

I wanna know can you'll tell me

I love to stay

Take me to the river(x2), drop me in the water(x2)

dip me in the river,take me to the river

drop me in the water, drop me in the water water

I don't know why you treat me so bad

Think of all the things we could have had

Love is an ocean that I can't forget

My sweet sixteen I would never regret

I wanna know can you'll tell me

I love to stay

Take me to the river(x2), drop me in the water(x2)

Dip me in the river,Take me to the river

Push me in the water, drop me in the water water

Hug me, squeeze me, love me, tease me

Till I can't, till I can't, I can't take no more of it

Take me to the river(x2), drop me in the water(x2)

dip me in the river, take me to the river

push me in the waterDrop me in the water water

I don't know why I love you like I do

All the changes you put me through

Sixteen candles there on my wall

And here am I the biggest fool of them all

I wanna know can you'll tell me

I love to stay

Take me to the river(x2), drop me in the water(x2)

Dip me in the river, Take me to the river

Take me to the river drop me in the water(x19
